12. [redacted] LEGISLATION Spoke with Bill Heckman, Department of Justice, Office of Legislative Affairs, to inquire as to the signing ceremony for S. 1566, the Electronic Surveillance legislation. Bill said that arrangements were being made to have such a ceremony on or before 27 October, the deadline for Presidential action on the bill. Bill indicated that the DCI would be invited to attend and said it would be helpful to have someone from the DCI's office contact him as to the DCI's 23 through 27 October schedule. I told him I would have someone contact his office.

13. [redacted] LIAISON Received a call from Dennis Miller, on the staff of the House Government Operations Committee, requesting a publication on Mexican oil reserves. He said that he had seen it referred to in the press and would like to have it sent to him. After checking with NFAC/CSS, I told him that there is nothing unclassified on Mexican oil reserves. He said if he had seen it in the press why couldn't he have a copy. I referred him to [redacted] of our office.
